

**Curious about using
alternatives to traditional
grading to support student
success?**

BAM-C along with the Equitable Math Assessment Project and PCCD's Equity in Calculus Project is pleased to host a 3-workshop series.

OCT 7 • 2PM -3:30PM

Peralta Community Colleges Faculty will share their journey to explore and pilot alternative grading

NOV 4 • 2PM -3:30PM

Cal State East Bay faculty will share their experiences with Standards Based Grading and other alternative grading strategies. The discussion will include lessons learned from implementing these strategies

DEC 2 • 2PM -3:30PM

Foothill CC Faculty, Jeff Anderson will share his experience using alternative grading

All workshops on Zoom

Stipends available for participants who attend all three workshops and complete exit tickets.
